## MESSAGE FROM POEM PRESIDENT

### DR. GEVORG TAMAMYAN

As we welcome the new year, it is my pleasure to reflect on the remarkable journey of POEM in 2024, to thank all the contributors and to share our vision for 2025. The past year has been full of collaboration, dedication, and a shared vision for advancing pediatric oncology in our region and beyond.

In February, we hosted the 4th POEM-St. Jude Research Workshop, which was an important milestone for developing...

## CLOSING REMARKS

Dr. Tezer Kutluk

Communication committee Chair

Welcome to 2025, a year full of opportunities to strengthen our shared mission in the fight against pediatric cancer. As we expand our membership and deepen the collaboration among our members and our dedicated committees, the importance of sharing knowledge and expertise cannot be overstated. Together, we can amplify our impact across POEM countries, fostering innovation and improving outcomes for children and families worldwide. The Communication Committee is proud to play a vital role in connecting our global network, facilitating dialogue, and ensuring our collective voice is heard. Let's make 2025 a year of growth, unity, and meaningful progress in pediatric cancer care.
